

KS1 - DT exemplification

Design and create a Christmas bauble to hang on a tree.

Children must use festive colours, running stitch or over stitch to join two pieces of material together.

Children had to sew or stick on extra pieces for decoration

First Level

- Basic cutting skills shown to create a shape with the material
- Basic running stitch, joining two pieces of fabric
- Simple decoration attached

Second Level

- Some accuracy shown in cutting to create a shape.
- More application of stitching, around the edge of the bauble
- Begin to use stitching as decoration

Third Level

- Improved accuracy of cutting to create a shape
- More detail in decoration and use of stitching to make decoration attractive.
- Fit for purpose

Fourth Level

- Good accuracy in stitching
- Variety of stitches used to join materials together and for decoration
- Festive colours used
- Imaginative design.
- Fit for purpose
