

Newsletter for February 2025

Robinwood Residential

This takes place from Friday 28 February to Sunday 2 March for KS2 children involved. Mrs Loudon will be accompanying children on this visit and teaching cover for KS1 has been arranged.

Playground

Please remember that children are not allowed to use the play equipment **before** or **after** school when they are not supervised by staff. This is due to our insurance and keeping everyone safe. Many thanks for your help.

World Book Day

This is on Thursday 6 March and this year we are planning to celebrate by bringing a favourite bedtime story and of course coming to school in pyjamas! We will have time in the afternoon to share our favourite stories in mixed age groups and take part in a fun quiz.

Please don't forget that children will still be going outside and will need warm clothes under/over their pyjamas and sensible shoes for the playground, though they are welcome to wear slippers inside.

Wear Red Day

On Thursday 27th February, the Wolds Federation will be supporting the Children's Heart Surgery Fund charity by participating in Wear Red Day.

The charity provides essential family support, life-saving medical equipment for the Leeds Congenital Heart Unit and vital ward resources.

This is a charity especially close to our Federation's heart, as one of the year one children at Beswick and Watton Primary School has been a patient at Leeds Congenital Heart Unit since early November last year.

The children are asked to wear non-uniform and bright colours, including the colour red, in exchange for a donation to the charity.

How Safe is WhatsApp for Children - NSPCC

WhatsApp is one of the most popular instant messaging apps, used by over 2 billion people in 180 countries. It allows you to send and receive messages, as well as make voice and video calls. You can connect with people individually or join group chats where lots of people can contribute. All you need to set up a WhatsApp account is a phone number. However, children and young people can easily subvert the restrictions placed on its access. Although rated at 16+, all that is required is a phone number. All it takes is one child in a class to be on whatsapp, and all the others will wish to join. This can lead to increased vulnerabilities for child users. The NSPCC has released its own analysis about the dangers of the app. If interested, please follow the link below:

Our Christian Vision is that our children will be agents for change in their own lives, in their local community and in their global community.

"The child Jesus grew and became strong; he was full of wisdom gaining favour with God and with people." Luke 2:54

*Our Christian Value for this half term is: **Honesty***
