

DT Exemplification

Key Stage 2 Spring Term Cycle D

Exploring Still Life

Develop skills including mark making, using various media, exploring line and colour, relationships between 2d and 3d shape, light and dark

The examples here show the progression throughout KS2.

First level	Basic lines and shapes. Good use of mixed media and awareness of 3d shapes but dimensions and shape inaccurate
Second level	Use of shading and shadowing good to create 3d. Pupil decided specific colour to create an effect. Awareness of 3d dimensions and shape of the apple and jug accurate.
Third level	Use of colour is engaging for the audience. Accurate shadowing, shading to give a good perspective and dimensions are good. Use of light and dark. Awareness of items in relation to each other and negative space. Purposeful use of equipment to create the given effect.
Fourth Level	Great demonstration of mark making, using various media, exploring line and colour, relationships between 2d and 3d shape, light and dark.
