"The child Jesus grew and became strong; he was full of wisdom gaining favour with God and with people." Luke 2:54

Dear Parents and carers

On Thursday 27th February, the Wolds Federation will be supporting the Children's Heart Surgery Fund charity by participating in Wear Red Day. The charity provides essential family support, life-saving medical equipment for the Leeds Congenital Heart Unit and vital ward resources.

This is a charity especially close to our Federation's heart, as one of the year one children at Beswick and Watton Primary School has been a patient at Leeds Congenital Heart Unit since early November last year. Ellie had planned heart surgery, followed by numerous complications and several severe infections which are ongoing. The charity provides support for many families like Ellie's, and we hope that by participating in the fund-raising day, we can help to make a small difference to children and families who are experiencing the most difficult of times. For further information on the charity and examples of the work they do, please visit <https://chsf.org.uk/wear-red-day>.

We will be holding our fundraising event, a day earlier than suggested by the charity, to avoid a clash with the departure of the Robinwood Residential trip. The children are asked to wear non-uniform and bright colours, including the colour red, if possible, in exchange for a donation to the charity.

There is currently a live Just Giving page with details of Ellie's story and the opportunity to support the family in securing accommodation close to the hospital, as her stay is likely to be many more months. You can visit the page by following the link below:

We thank you in advance for your support and look forward to a successful day.

Kind regards

Sophie Carr
