3rd June 2025

Dear Parents/Carers

In line with the local authority's recommendations, from September 2025 the cost of a school meal will increase by 10p to £2.75 for nursery and KS2 children. The price rise is recommended due to the cost of food inflation which is currently reported at 3.7% up to the end of March, which is the highest so far this year and the ongoing increase in utility prices.

Our school meals still represent fantastic value because our ingredients are high quality and meet all nutritional standards.

We hope that you will continue to support our school meal and extended school services as much as possible so that we can continue to offer an excellent service.

Yours faithfully

E Harros
