"The child Jesus grew and became strong; he was full of wisdom gaining favour with God and with people." Luke 2:54

10th September 2025

Dear parents and carers,

We are writing to inform you that Ofsted and the Care Quality Commission (CQC) will be visiting the East Riding to inspect the local arrangements for children and young people with special educational needs and disabilities (SEND). This inspection is scheduled to take place from **8 September to 26 September**.

The purpose of the inspection is to evaluate how effectively the local area meets the needs of children and young people with SEND. Inspectors will be looking at the quality of services provided, and the outcomes achieved for our children and young people.

Ofsted and CQC inspectors will visit various schools and settings, which may include ours.

They may speak with staff, parents, carers, and children to gather a comprehensive understanding of the support provided. Your insights and experiences are invaluable, and we encourage you to share your views if approached by the inspectors.

The inspectors want to know about the help and support that children and young people with SEND receive. If you are a parent or carer of a child or young person with SEND, you can share your experiences by filling in a survey using the link below. The survey will close at 9am on Tuesday, 16 September.

We understand that such inspections can be a time of uncertainty, but please be assured that our priority remains the wellbeing and development of our children and young people.

We are committed to working collaboratively with the inspectors to highlight the strengths of our provision, and to identify areas for further improvement.

If you have any questions or concerns regarding the inspection, please do not hesitate to contact us at [**bishop.wilton@eastriding.gov.uk**](mailto:bishop.wilton@eastriding.gov.uk)

Thank you for your continued support.

Yours sincerely,

E Harros
