

Woldgate
School

Of great merit, character & value

18th September 2025

Dear Parents and Carers

Woldgate School Open Evenings: Tuesday 14th, Wednesday 15th and Thursday 16th October 2025

At Woldgate School, we recognise that choosing your child's secondary school is a significant time for both parent and pupils and with this in mind, we wish to fully support you as you begin this process.

As the first phase of our multi-million-pound new build project nears completion we are excited to share our transformed learning spaces with facilities we know will enrich the learning of our young people. We will be opening our doors to the new main building during the second half of the autumn term which means that due to ongoing works in the new building we are unable to hold this year's Open Evening events in the school.

As I am sure you understand, this places restrictions and challenges in opening the buildings to parents and prospective pupils, particularly with onsite parking being extremely limited and our gathering spaces significantly reduced. We hope to be able to offer opportunities for parents to tour our school later in the year, and we greatly appreciate your understanding on this. Children will also have the opportunity to explore and experience our new school before starting in Year 7 during our transition events.

However, the heart of our school is the community of staff and pupils that work alongside each other each day to support our young people. It is therefore with great pleasure that I invite you and your child to join us at the **Kilnwick Percy Golf Club on one of three evenings from Tuesday 14th October to Thursday 16th October from 6pm to 8pm** to meet our staff and pupils, learn more about our ethos, values and enrichment programme. We have allocated one evening to each of our local primary schools, and more information is available in the online booking form which you can access below and also through our school website.

[Open Evening Booking Form](#)

During the evening you will have the opportunity to meet our headteacher, senior leadership team and Care & Achievement team. Subject departments will be represented by our expert teachers with information and activities, as well as opportunities to learn more about the wide range of enrichment activities and care that we offer our pupils. There will be a welcome talk from our headteacher and me, activities and useful information, all within a lovely welcoming setting on the edge of the Yorkshire Wolds.

We pride ourselves on knowing every child as an individual and making every member of our community feel known and valued. We hope that this evening will give you the opportunity to experience this unique community and everything we offer. If you would like to learn any more

about our school, as well as to book a place at this Open Evening event, please visit our school website www.woldgate.net.

Both staff and pupils are immensely proud of our school and our pupils' achievements, and we are looking forward to sharing these with you and your child during our Open Evening. I hope to see you there and, in the meantime, please do not hesitate to contact us if you have any further questions.

Yours faithfully

A handwritten signature in dark ink, appearing to read 'A Minton', written in a cursive style.

Ms A Minton
