Surprise Fair

This exciting event will be in the morning of Monday 15th December. For those who have not been involved before, this is an opportunity for children to buy presents for their family as a surprise on Christmas morning. Children can bring their own money into school and gifts on offer vary from £1.00 to £3.50. Please bring money in pound coins and 50p pieces in a labelled purse. We will wrap the gifts at school and children should bring a labelled bag to carry their purchases home. This event encourages children to think of others and to budget with their own money.

Family Help Schools and Community

children in school.

Hello, My name is Sami and I would like to take this opportunity to introduce myself and my new role as an East Riding Schools and Community Family Help practitioner. The new School and Community team are linked within schools all across the East Riding and are there to help support positive outcomes for all children and their families at the earliest opportunities. We will work collaboratively with families, schools, the community and other services to best support the

We understand that family life can be both rewarding and demanding, and we're here to offer support as early as possible. Whether you're facing difficulties at home, need advice on parenting, or simply want to talk through a concern, we're here to help.

One of the many ways we will be doing this is by holding a regular Family Support Drop-In Session in school. These are informal, friendly opportunities for parents and carers to access advice, guidance, or support around any issues that may be affecting family life or your child's wellbeing. The first Family Drop-in will be **Tuesday 2nd December 8:45am until 11:00am** and further dates will be added for the next school term.

I look forward to becoming a familiar face within your school community. Please pop and say hi if you see me around school or at any future events.
