19TH January 2026

Dear Parents/Carers,

Our Year 5 and 6 pupils, accompanied by an adult, have been invited to take part in an exciting Design Workshop in the outstanding Art and Design Technology Centre at Pocklington School on Tuesday 10th February.

Hosted by their specialist Design and Technology team, the workshop will give pupils a hands-on experience into the world of creativity, innovation and problem-solving. Working in their fully equipped design studios, pupils will explore a real-world design challenge and have the opportunity to bring their ideas to life using a variety of tools and materials.

This fun and engaging session is designed to inspire younger learners and give them a taste of the facilities and learning environment at a senior school level. All materials will be provided, along with lunch, snacks and refreshments.

Sessions will take place in the afternoon between 12:00pm to 15:00pm.

Please can you consent to your child attending on ParenPay by Friday 6th February.

Your sincerely,

Mrs McCarthy and Mrs Hyde
KS2 Teachers
