

History

- ◆ When were the Ancient Greeks? Research where they were in history and create a timeline to show their position in history.
- ◆ Create an information book with Greek Gods and Goddesses and information about them.
- ◆ Learn about the Greek Olympics, how they started and what sports were involved.
- ◆ Look at Greek soldiers, create a drawing of one and label with information you have researched.
- ◆ Look at the Greek way of life during Ancient Greece and compare to modern living. Create a poster/information booklet to show this.

I.C.T.

- ◆ Create an information PowerPoint about the Ancient Greeks
- ◆ Draw a picture of the Parthenon using basic shapes and add detail.
- ◆ Create a virtual museum on PowerPoint about the Ancient Greeks (we did this for our Dinosaur topic).

Science

In Science this term we were supposed to be looking at a unit that investigates how sounds are made. You can really have some fun with this and find objects around the house that make different sounds and experiment with the different vibrations. Twinkl have a whole unit pack for this if you need any ideas or resources.

Ancient Greece

Summer Term

KS2

Geography

- ◆ Draw a world map to show where Greece is located.
 - ◆ On a map, plot the major cities within Greece.
 - ◆ Research what the weather/climate is like in Greece.
-
- ◆ Continue revision of capital cities across the world
 - ◆ Revise the seven continents
 - ◆ Revise the five oceans

Design & Technology

- ◆ Make an Olympic torch out of scrap material.
- ◆ Create the Parthenon out of paper.
- ◆ Have a tasting session of Greek food or have a go at making some together for example you could taste olives, feta cheese and taramasalata and have a go at making moussaka or baklava.

Art

- ◆ Design a Greek vase.
- ◆ Design a shield for a Greek soldier.
- ◆ Sketch a picture of the Parthenon.
- ◆ Sketch a picture of Greek Gods and Goddesses.
- ◆ Read the story of Pandora's box (can be found on Twinkl) create a picture to retell the story—you can be really creative with what you draw to represent the different things within the box.
- ◆ Create a mosaic picture using scrap pieces of paper.
