

Anti Bullying Policy

The Wolds Federation

Our Christian Vision is that our children will be agents for change in their own lives, in their local community and in their global community.

“The child Jesus grew and became strong; he was full of wisdom gaining favour with God and with people. “
Luke 2:54

Love, Laugh, Live, Learn is our motto which is deeply rooted in scripture and how we express our vision.

Love

We are a caring, compassionate community that welcomes everyone.

A new commandment I give to you, that you love one another: just as I have loved you.

John 13:34

Laugh

We strive to be a place of joy for all.

Then was our mouth filled with laughter, and our tongue with shouts of joy.

Psalms 126:2

Live

We live life to the full, preparing children for all life has to offer.

I have come that they might have life, and have it to the full.

John 10:10

Learn

“The child Jesus grew and became strong; he was full of wisdom gaining favour with God and with people. “ Luke 2:54

We are a learning community, developing life long learners, a place where the whole child is nurtured to grow in God's love.

The child Jesus grew and became strong; he was full of wisdom gaining favour with God and people. Luke 2:54

- To ensure a consistent approach to preventing, challenging and responding to incidents of bullying that occur.
- To inform pupils and parents of the school's expectations and to foster a productive partnership which helps to maintain a bullying-free environment.

I. Definition of bullying

Bullying is hurtful, unkind or threatening behaviour which is deliberate and repeated. Bullying can be carried out by an individual or a group of people towards another individual or group, where the bully or bullies hold more power than those being bullied. If bullying is allowed it harms the perpetrator, the target and the whole school community and its secure and happy environment. Bullying is not one of instances of bad behaviour or instances where children fall out with each other. These may lead to bullying if they are not dealt with effectively but are not bullying unless it is deliberate and repeated.

The nature of bullying can be:

- Physical (e.g. hitting, kicking, pushing or inappropriate/unwanted physical contact)
- Verbal (e.g. name calling, ridicule, comments)
- Cyber (e.g. messaging, social media, email)
- Emotional/indirect/segregation (e.g. excluding someone, spreading rumours)

- Visual/written (e.g. graffiti, gestures, wearing racist insignia)
- Damage to personal property
- Threat with a weapon
- Theft or extortion
- Persistent Bullying

Bullying can be based on any of the following things but is not exclusive to:

- Race (racist bullying)
- Sexual orientation (homophobic or biphobic)
- Special educational needs (SEN) or disability
- Culture or class
- Gender identity (transphobic)
- Gender (sexist bullying)
- Appearance or health conditions
- Religion or belief
- Related to home or other personal circumstances
- Related to another vulnerable group of people

2. Reporting bullying

Pupils can speak to any adult in the school if they feel that they are being bullied. This is most likely to be their class teacher or the teaching assistant who works most closely with the class could be any member of the school staff.

They can speak directly to a member of staff or write a note for the worry box. This is checked on a regular basis.

Reporting- roles and responsibilities

- Staff
- All staff have a duty to challenge bullying (including HBT bullying and language) report bullying, be vigilant to signs of bullying and play an active role in the school's efforts to prevent bullying.

The senior teacher in each school is a first contact in each school.

-

Senior staff

- The Senior Leadership team and the executive Headteacher have overall responsibility for ensuring that the anti-bullying policy is followed by all members of staff and that the school upholds its duty to promote the

safety and wellbeing of all young people.

Parents/carers

- Parents and carers also have a responsibility to look out for signs of bullying (e.g. distress, feigning illness, lack of concentration). Parents and carers should support their child to report the bullying.

In the first instance parents should contact the child's class teacher to report any instances of bullying.

Pupils

Bullying of any type is not tolerated in any form in any of our three schools.

- Pupils should not take part in any kind of bullying and should watch out for signs of bullying among their peers. If any pupil thinks that bullying is taking place they should report it to an adult immediately. Pupils should never be bystanders to incidents of bullying- they should offer support to the victim and encourage them to report it.

3. Responding to bullying

When bullying has been reported, the following actions will be taken:

1. The staff will investigate and speak to all the pupils concerned.
2. Staff will write a report which will be given to the executive head teacher for central storage
3. The executive head teacher will monitor incident reporting forms.
 4. The executive Head Teacher will produce termly reports summarising the information and this will be reported to the governing body
 5. Support will be offered to the target of the bullying from the class teacher, member of the support staff team or through the use of a buddy.
6. Staff will proactively respond to the bully who may require support from the school.
7. Staff will assess whether parents and carers need to be involved.
8. Staff will assess whether any other authorities (such as police or local authority) need to be involved, particularly when actions take place outside of school.

9. Bullying outside of school

Bullying is unacceptable and will not be tolerated, whether it takes place inside or outside of school. Bullying can take place on the way to and from school, before or after school hours, at the weekends or during school holidays, or in the wider community. The nature of cyber bullying in particular means that it can impact on pupils' wellbeing beyond the school day. Staff, parents and carers, and pupils must be vigilant to bullying outside of school and report and respond according to their responsibilities outlined in this policy.

10. Derogatory language

Derogatory or offensive language is not acceptable and will not be tolerated. This type of language can take any of the forms of bullying listed in our definition of bullying. It will be challenged by staff and recorded and monitored in the classroom behaviour log. Follow up actions and sanctions, if appropriate, will be taken for pupils and staff found using any such language.

11. Prejudice based incidents

A prejudice based incident is a one-off incident of unkind or hurtful behaviour that is motivated by a prejudice or negative attitudes, beliefs or views towards a protected characteristic or minority group. It can be targeted towards an individual or group of people and have a significant impact on those targeted. All prejudice based incidents are taken seriously and recorded and monitored in school, with the executive Headteacher regularly reporting incidents to the governing body. This not only ensures that all incidents are dealt with accordingly, but also helps to prevent bullying as it enables targeted anti-bullying interventions.

12. School strategies to prevent and tackle bullying

We use a range of measures to prevent and tackle bullying including:

- Our school vision is at the heart of everything we do and ensures that all members of the school community are revered and respected as members of a community where all are known and loved by God.
- We use a pupil-friendly anti-bullying policy to ensure that all pupils understand the policy and know how to report bullying.
- The RHSE programme of study includes opportunities for pupils to understand about different types of bullying and what they can do to respond and prevent bullying. It also includes opportunities for pupils to learn to value themselves, value others and appreciate and respect difference.
- Collective worship explores the importance of inclusivity, dignity and respect as well as other themes that play a part in challenging bullying.
- Through a variety of planned activities and time across the curriculum pupils are given the opportunity to gain self-confidence and develop strategies to speak up for themselves and express their own thoughts and opinions.
- Circle time provides regular opportunities to discuss issues that may arise in class and for teachers to target specific interventions.
- Stereotypes are challenged by staff and pupils across the school.
- Pupils are involved in developing school-wide anti-bullying initiatives through the school council and through anti bullying week
- Working with parents and carers and in partnership with community organisations to tackle bullying where appropriate.

13. Training

The executive Headteacher is responsible for ensuring that all school staff (including teaching assistants and midday supervisors) receive regular training on all aspects of the anti-bullying policy.

14. Monitoring the policy

The executive Headteacher is responsible for monitoring the policy on a day-to-day basis. The Headteacher is responsible for monitoring and analysing the recorded data on bullying. Any trends should be noted and reported.

15. Evaluating and reviewing

The executive Headteacher is responsible for reporting to the governing body (and the local authority where applicable) on how the policy is being enforced and upheld, via the termly report. The governors are in turn responsible for evaluating the effectiveness of the policy via the termly report and by in-school monitoring such as learning walks and focus groups with pupils. If further improvements are required the school policies and anti-bullying strategies should be reviewed.
