10th September 2024

Dear Parent or Carer

Woldgate School Open Evenings: Monday 30th September to Thursday 3rd October

At Woldgate School, we recognise that choosing your child's secondary school is a significant time for both parents and pupils, and with this in mind, we wish to fully support you as you begin this process.

This year we have reached an exciting milestone in our history, as we embark on a multi-million-pound new build project that will see our learning spaces transformed, and facilities hugely enriched for our pupils and students. Your child will be part of the first Year 7 cohort to experience these state-of-the-art facilities. The new school build is well on its way to completion, and we plan to open the doors to our pupils in September 2025.

Due to the ongoing construction work onsite, our current school building is under several restrictions. As I am sure you understand, this creates significant challenges in opening the buildings to parents and prospective pupils, particularly with onsite parking being extremely limited and our gathering spaces significantly reduced. We hope to be able to offer opportunities for you to tour our school in the new year, when it is deemed safe to do so, and we greatly appreciate your understanding with this.

The heart of Woldgate School is the community of staff and pupils that work alongside each other every day to support our young people. It is therefore with great pleasure that I invite you and your child to join us at the **Kilnwick Percy Golf Club on one of four open evenings from Monday 30th September to Thursday 3rd October from 6pm to 8pm** to meet our staff and pupils and learn more about our ethos, values and enrichment programme. We have allocated one evening to each of our local primary schools, and more information is available on the online booking form which you can access below and through our school website.

[Open Evening Booking Form](#)

During the evening you will have the opportunity to meet our Headteacher, Senior Leadership Team and Care & Achievement team. Subject departments will be represented by our expert teachers with information and activities, as well as opportunities to learn more about the wide range of enrichment activities and care that we offer our pupils. There will be a welcome talk from our headteacher and me, activities and useful information, all within a lovely welcoming setting on the edge of the Yorkshire Wolds.

We pride ourselves on knowing every child as an individual and making every member of our community feel known and valued. We hope that this evening will give you the opportunity to experience this unique community and everything we offer. If you would like to learn any more about our school, as well as to book a place at this Open Evening event, please visit our school website www.woldgate.net.

Both staff and pupils are immensely proud of our school and our pupils' achievements, and we are looking forward to sharing these with you and your child during our Open Evening. I hope to see you there and, in the meantime, please do not hesitate to contact me if you have any further questions.

Yours faithfully

Ms A Minton
Head of Lower School
