"The child Jesus grew and became strong; he was full of wisdom gaining favour with God and with people." Luke 2:54

9th September 2024

Dear parents/Carers

You will find a spelling book in your child's book bag. Each week they will be given spellings on a Friday to learn during the week, ready for a spelling test on the following Friday. The spellings are linked to what we are learning in phonics.

There are two ways to work on these words. Firstly, use the spelling book and encourage your child to read the word, then cover it and write it in the space provided before finally checking it is correct. This should be done 3x during the week. In addition to this you will find a login to spelling shed in the front of their spelling book and this site has a selection of games to practise the words for the week.

Please help your child to work on their spellings each week and gain in confidence.

Reading continues to be extremely important this year and our target of reading 3x a week continues with a reward of 4 house points for achieving the target and a step up the reading ladder. Reaching the top of the ladder means choosing a prize from the box. Please record your reading with your child on the 'learning with parents' online record you used last year.

Thank you for your support. It makes a huge difference.

Yours sincerely,

Mrs J Loudon
Senior Teacher
